

# Odor Eliminator

Destroys / Eradicates Odors. Prevents their Return  
Item#CCOCG028R

## **Product Overview**

This Eco Responsible formula chemically binds and encapsulates odor causing materials, rendering them undetectable. It eradicates odors, prevents them from returning

Odor Eliminator contains a small amount of fragrance to provide a freshly cleaned scent while the product is being used. The fragrance dissipates very quickly, to prevent overpowering the user with fragrance odor. Once used, the treated area will go back to what it once was.

Whether a bad odor is from; (pet waste, cigarette smoke, food, human body) Odor Eliminator will eradicate it fast! We have tested Odor Eliminator on every terrible smell we could, including Coyote Urine and it destroyed the smell...

## **Product Benefits**

- Works quickly
- **NO listed hazardous materials or Petroleum distillates**
- Concentrated, a little goes a long way
- Destroys both airborne and ingrained odors
- NO tacky residue and adds softness to treated fabrics
- Available in small glove box bottle to keep in car & larger sizes
- Easy to use trigger spray or pump mist application
- 

## **Recommendations for Use**

For general odor removal in car: Spray a mist or two on floor mats.

For odor specific areas where the cause needs to be removed:

After odor causing material has been removed and cleaned, spray or mist directly onto area that was causing the bad odor.

"We strongly recommend cleaning and removing stains using our Multi Clean. Multi Clean is part of the EPA Design for the Environment program and considered a safer chemical."

**Use in vehicle, home or businesses, anywhere odor is a problem.**
